

EDGE INTEGRATION CENTER (EIC)

ACCELERATING YOUR TIME TO VALUE

EDGE INTEGRATION CENTER (EIC) IS AN ENHANCED DEPLOYMENT SERVICE WHICH PROVIDES TAILORED INTEGRATION SOLUTIONS. OUR TECHNOLOGY EXPERTS WORK WITH YOU TO IDENTIFY SERVICES THAT WILL ACCELERATE DEPLOYMENT OF INFRASTRUCTURE AROUND YOUR UNIQUE BUSINESS REQUIREMENTS.

WHY EDGE INTEGRATION CENTER?

Edge Solutions experts work every day with organizations just like yours, to access, plan, deploy, and optimize infrastructure environments. Edge Solutions uses a process of continuous evolution, to help you to accelerate your adoption and technology -- from whatever part of the adoption curve you are at today.

Whether you are just starting out of have had infrastructure systems in place for years, our action-plans and recommendations will help you to evolve your methods and systems more quickly, with less wasted effort and investment. Our team of technology experts can augment your staff with up-to-date skills available at a moment's notice. Our experience in measuring, baselining, and analyzing existing infrastructure deployments quickly and accurately translates into better results for your business.

BENEFITS

- Expert assistance when you need it -- at an affordable cost.
- Quick time to value. Get your assets up and running ready for your business workloads.
- Easy access to the latest information, tools, best practices.
- Transfer of information and skills and tools to your local team.
- Independent, practical advice from our proven experience with hundreds of environments.
